Re: Exploration Drilling, Kennecott Utah Copper, Bingham Mine Reclamation Area,
M/035/002, Salt Lake County, Utah

Dear Mr. Gunter:

Thank you for your letter of April 27, 1995, informing the Division of your recent drilling program and progress in Section 7, T3S, R2W, SLBM. We appreciate your efforts to keep us up-to-date on your activities.

Please continue to keep as appraised of your exploration and reclamation activities. We are tentatively planning to conduct an inspection of your project this fall. We will call and schedule this inspection later this summer.

Sincerely,
